“ A free trade agreement faces a number of hurdles, so we are here to help you handle your shipments with ease.”

SETTING A NEW STANDARD

BHTransportation Co. is an experienced Freight Broker with over **25 years of experience** specializing in heavy hauling and over-sized loads from Canada and USA into Mexico and vice-versa. We can offer you “straight thru service” without transloading at the border.

Our highly skilled and well-trained staff is fluent in both Spanish and English and we are experienced in assisting customers in Canada, U.S. and Mexico.

SAFE TRANSPORTATION

We handle your shipment with proper care and take pride in being responsible carriers of specialized equipment. We perform routine safety checks and maintenance on all our equipment in order to ensure a safe transport. We are committed to the safety of our drivers as well as your shipment.

QUALITY SERVICES

We can provide a variety of transportation services including integrated trade services, distribution, customs brokerage and warehousing. Our warehouse is conveniently located **4 miles** from the World Trade Bridge in Laredo, Texas; making our warehouse an advantageous choice for your shipping needs.

CUSTOMS BROKERAGE

We offer total management of all import and export Customs formalities. We are focused on service, and will be with you when you need us; whether to assist you in a Customs audit or perform a late or weekend release. We can easily prepare and connect standard import documents electronically to U.S. Customs.
